

Join us for our popular Annual Concert in the Park! The program features popular music and fun themes from films many will recognize. This concert is free to the public with plenty of free parking. PCO graciously accepts any donations (See QR Code)

<u>About Us:</u>

PCO strives to enrich the community by providing an opportunity for everyone to hear fine music free of charge and to provide a setting where amateur musicians can perform classical music.

Pasadena Community Orchestra (PCO) is a non-profit organization supported by donations from individuals and companies that recognize the importance of continuing the great tradition of music in the community for both players and performers.
